AUTUMN LEAF BAG PROGRAM

The City's free leaf bag program helps beautify the City as well as assisting street sweeping efforts which keep storm drains free of debris and prevent flooding during the rainy season.

Operating from October 1 through the end of January, the program provides residents free leaf bags which can be picked up at City Hall, 150 City Park Way.

After filling your existing green cart(s) with leaves, fill the bags and place them curbside to the side of your carts, not in front of the carts. They will be collected on your yard waste service day at no additional charge. Only these bags will be collected at no additional charge.
