/// BIN SERVICE AGREEMENT ///

TERMS AND CONDITIONS

By signing the front side of the Agreement, I agree to the following terms and conditions, and understand that my failure to comply with them may result in the bin service being terminated at the City's sole discretion:

1. I will not put dirt*, sod*, concrete*, rock*, tires, E-waste (including, but not limited to: TV's, computers, and electronic devices), hazardous waste (including, but not limited to: oils, paints, batteries, Freon (AC units), pesticides, solvents, gas cylinders, drums, and fluorescent lights), mattresses and/or box springs into this bin.

(*) Dirt, sod, concrete and rock can only be disposed of in a 10 yard bin. Customer must specifically request the 10-yard bin size on the Bin Service Agreement for this material.

2. That if any items listed in Section 1 above are found in the bin, the City may refuse to haul the bin, or if hauled already, I will be required to take back the material immediately. I will also be held responsible for any and all costs incurred by the City to handle this waste, plus any additional bin rental charges required while unwanted items are unloaded from the bin.
3. I will not use the bin for any activity that violates federal, state and/or local laws.
4. The bin will only be filled to its capacity and no higher than the shortest side of the bin. If the bin is over loaded, it will not be hauled and I will be responsible for off-loading or leveling the bin load, plus any additional bin rental charges required while the bin is leveled off.
5. The bin and storage area will be easily accessed for the driver to deliver/pick-up on the scheduled delivery/pick-up date. No debris will be blocking access to this bin. I understand that only in limited circumstances will the bin be placed on my property and that I will not move it from its original placement. ***If the City is unable to service the bin due to inaccessibility, an additional City Council adopted time and materials fee may be charged.***
6. The City, in its sole discretion, will determine if circumstances require the bin to be placed on my property. In those circumstances, I acknowledge that the City will not be responsible for any personal injury, or any damage rendered to the curb, sidewalk, driveway, or property resulting from the placement of the bin on my property; and such injury or damage will be my responsibility.
7. If the bin is damaged in any way, including but not limited to graffiti, wheel damage or bent rails, I will be responsible for all repair and clean-up costs.
8. To ensure the lower per ton recycling rate, I must specify in advance of service the type of material to be recycled. There is no guarantee of the lower rate until a representative of the City has evaluated the bin's contents.
9. I agree to pay all charges for these services as set by the City Council and understand the charges and bin security deposits may change at any time. If payments are not received or the original signed agreement is not submitted within seven (7) days of the initial delivery date, the City may pick up the bin at my expense. (See City's Cost Allocation Plan on file with the City or online at): <http://www.brentwoodca.gov/gov/finance/docs/cap.asp>
10. I, on behalf of myself, successors, and assigns agree to defend, indemnify, hold harmless, waive and release the City of Brentwood, its officers, agents and employees from any and all damage, injuries, claims, lawsuits, and/or causes of action of any kind arising out of the delivery, use, misuse, and/or pick up of any bin that I request.

Note: Extra bin service charge applies to extra material collected during regular service. Call back fees of \$61.00 shall be added to this amount if extra service requires a driver to make an unscheduled trip to this service location.

(*) You can pay your deposit by Visa, MasterCard or Discover Card. Once the bin is removed, the City will assess the applicable service fees and apply the deposit against the charges due. If a credit balance remains, the City will apply the credit to fees owed the City, ie., utility billing, business tax certificate or an account receivable invoice. If there are no funds due the City, the City will refund the amount to your credit card. Refunds will be processed approximately 3-10 business days after the return of the bin. Security Deposit and Service Charges are subject to change and customers may be required to pay additional fees if changes are approved by Council action.

Please call Utility Billing at 925-516-5415 if you have any questions about your deposit or deposit refund.

(**) Minimum pull fee of two pulls per month if bin is held for 30 days.
