There’s no better way to welcome in a new season than with our Spring/Summer 2020 Activities Guide that’s packed full of engaging programs, activities and special events!

Today, and every day, is a great day for a picnic in one of Brentwood’s growing number of parks!

Did you know that the Parks and Recreation Department hosts over 500 picnic rentals each year? If you are looking for a place to hold your next birthday party, anniversary or family reunion, look no further than one of our fabulous Brentwood parks. Our parks offer picnic areas with opportunities for swimming, bocce, volleyball, water play features and so much more! No matter what your interest, we have a picnic area that will meet your needs, from a large gathering at Veterans Park for swimming and volleyball to a small, quiet gathering for bocce at Apple Hill Park.

Our parks with rentable picnic areas are Apple Hill Park, Balfour Guthrie Park, Blue Goose Park, Brentwood Family Aquatic Complex, City Park, Oak Meadow Park, and our most popular, Veterans Park. For more information on picnic rentals, our friendly and helpful staff at the Community Center are available to assist you, or you may visit our website at www.brentwoodca.gov. Spaces fill-up quickly, so book your picnic area today!

You can get your spring and summer season off to a great start by spending some quality time outdoors and exploring our parks. As you visit our parks, please follow the posted rules and be respectful of other park patrons and your neighbors around the park. To find the perfect park for your outing, we have a helpful summary of the parks and facilities on pages 40-43. As a reminder, neighborhood parks do not have restrooms so plan your trip accordingly.

Thank you for your interest in Parks and Recreation and we look forward to continuing to provide you with outstanding parks, programs and services throughout this new spring and summer season!

Sincerely,
Bruce Mulder
Director of Parks & Recreation

During the month of August, the Brentwood Family Aquatic Complex will open from 6:30pm-8:30pm on Fridays for music, games, themed parties, and night swimming. Hot August Nights is a great opportunity for the family to come together in a fun and safe atmosphere. All facility rules and regulations apply. Children under the age of 6 must be accompanied by a chaperone of 15 years of age or older.
Swim Lesson Placement Day
For ages 3 ½ and up • Saturday, April 11 and June 6, 9:00AM- 12:00PM

We are offering two placement days during which certified Water Safety Instructors will be on site to evaluate your child’s skills in the water and make a recommendation for which level is most appropriate. This service is free of charge. There will be certified lifeguards on deck, staff available to answer any questions, and cashiers ready to assist you with the registration process! You do not need to be registered for a swim lesson to participate.

Scan this QR code for complete swim lesson descriptions.

Swim Lesson Helpful Hints

- The Brentwood Family Aquatic Complex follows Red Cross Instruction and Certification guidelines.
- Upon receiving the Red Cross Level Completion Card from your instructor, the swimmer can advance to the next level.
- It is recommended that children repeat the last level they completed the previous summer.
- Most children remain in the same level for at least 2 sessions, so don’t get discouraged if they don’t pass the level right away.
- If you are unsure of which level your child should be in, we recommend attending a Swim Lesson Placement Day on April 11 or June 6 to be evaluated.

All swim lessons are held at Brentwood Family Aquatic Complex. Swim lesson registration will end at 5:00pm on the Thursday before class begins.

AQUATICS CLASSES

AGES 18+

Water Aerobics
Increase your cardiovascular endurance, strength, flexibility and range of motion in this low-impact workout class. The buoyancy of the water makes these exercises easy on your joints. The workout is in 4-foot water, so you do not need to know how to swim. Participants should feel comfortable in the water.

Camp Brentwood

AGES 1st-5th grade
Join us for an exciting camp experience at Camp Brentwood. Kids will enjoy sunshine and fresh air in a safe and supportive environment. Crafts, games, swimming, and other themed adventures promote individuality and creativity on a daily basis. Watch your child build relationships with other local children and find great role models in our trained staff. Imagine a summer break where your child has the time of their life and grows as a person in ways that will impact who he or she is for the rest of their life. Join in on Brentwood’s best kept secret. Please provide your child with a lunch, refillable water bottle and snack daily. On swim days, please have your child bring a swimsuit, towel, and sunscreen. A parent/guardian (18 years and up) will be required to sign campers in and out daily. Camp shirt will be included with registration.

**STEM 4-7**
**STEM Cadets Summer Camp**
Become a STEM Cadet this summer. This is a 3 week summer camp divided into age appropriate groups. Young girls and boys will be exposed to multiple outdoor activities that involve science, technology, engineering, and math (STEM). Our summer camp helps children connect more of the STEM concepts to recreational activities such as the digital arts, no-screen coding and programming, math challenges and games that include creating science teams and critical thinking. Engineering and building obstacle courses is also a part of this summer camp experience. Our camp classes are held outdoors 95% of the time so bring plenty of water and sunscreen. We offer light snacks throughout the day serving mostly fruits and vegetables. You are welcome, however, to bring a lunch for your child each day. Our camp classes are held outdoors 95% of the time so bring plenty of water and sunscreen. We offer light snacks throughout the day serving mostly fruits and vegetables. You are welcome, however, to bring a lunch for your child each day. Each of our STEM Cadets receive a T-shirt and STEM camping gear in preparation to play and test ideas. Caregiver Stress Management
If you regularly take care of others as a career choice, personal obligation, or because you have a desire to make a positive difference in someone’s life, this class is for you! You probably know that this selfless work can be rewarding, yet exhausting and stressful at the same time. Taking care of your own needs and health tends to get put on the back burner and often neglected. Most people do not realize it until it’s too late! That’s when you may feel overly stressed, leading to burnout. In order to give someone else your best self, you’ve got to take care of yourself first. Come and learn the signs and symptoms of burnout, strategies to cope and prevent it, and where to seek help if and when necessary. Your health matters, too!

General Information
Full payment is due at time of enrollment by cash, check, or Visa/MasterCard/Discover/American Express. Checks are payable to the City of Brentwood. Returned checks will be assessed a service charge of $16.71. Participants must pre-register for all programs unless otherwise noted. It is the participant’s responsibility to attend the activity or call to verify their enrollment if a receipt is not received. Some programs and sports have different registration dates. These separate registrations will be listed in the guide.

Refund Policy
Our department strives to provide you with high quality programs. Some situations that occur are beyond our control. Withdrawals/refunds could cause the class/activity/program to drop below the minimum required attendance, which could cause the class/activity/program to be cancelled. City reserves the right to cancel a program and refund under extenuating circumstances. Should you be dissatisfied, please contact us and staff will work with you to the best of our ability.

 Refunds will be considered upon request to the Parks & Recreation Department.
 Refund requests made no later than half way through a class/activity/session may be subject to a partial refund. If applicable, a uniform fee will be deducted from the refund.
 Refund requests made after the last class/activity/session will be considered on a case-by-case basis.
 Refund requests must be received within 30 days.
 Refund policies may vary for Adult Leagues, Aquatics, Senior Trips and Facility Permits.

Cancellations
Classes without minimum enrollment will be cancelled or combined. If the activity, class, or trip is cancelled the City will issue a refund, or credit your account.

Class/Program schedules, fees, instructors, policies and procedures are subject to change without notice.

Los horarios de las clases, costos de registracion, maestros, las reglas y los procedimientos son sujetos a cambios.

Para mas información sobre las clases, por favor llame al Departamento de Parques y Recreaciones al (925) 516-5444.

Resident registration starts March 5.
Non-resident registration starts March 12.

In an effort to maintain fairness and uphold City policy, the Parks and Recreation Department will hold all registrations received prior to March 5 for residents and March 12 for non-residents, and will not process them until 24 hours after the official registration opens.

Youth Activity Scholarship Assistance Program
Would you like to register your child for an activity but can’t because of a limited family budget? Partial financial assistance may be available through our Youth Activity Scholarship Program. To be eligible, you must meet the following requirements:

• Brentwood resident (no other areas will be considered);
• under 18 years of age;
• meet the income eligibility chart listed in the application;
• applicant must fill out the application and provide some form of verification of their yearly family income.

These scholarships are funded through community donations and can vary from year-to-year. A limit of $125 in scholarships per eligible family is available each fiscal year, as long as funds are available. Scholarships subsidize 50% of the class/sport/activity fee.
Free Art Exhibits
Public Art Walls highlight local artists and art organizations throughout the community. The program exhibits art in the Brentwood Community Center at 35 Oak Street. Visit these free exhibits any time during Community Center hours, Monday-Friday from 8:00am-5:00pm.

Open Mic
Discover a monthly open mic night known for its friendly and relaxed environment. First-timers are encouraged and readings of all genres are welcome. Works may be your own or of another writer - please no insulting or abusive language. This free event is held the second Thursday of each month at 6:30pm in the Brentwood Community Center. Presented by Brentwood Writes, an affiliate of the Brentwood Art Society and the Brentwood Community Library. For more information contact Kati Short at katishort@yahoo.com or call (925) 634-6655.

Loma Vista Park Playground Replacement

Originally installed in 2000 when Loma Vista Park was constructed, the Loma Vista playground has been one of the most heavily used playgrounds in the City as a result of its close proximity to Loma Vista Elementary School. After nearly 20 years in service, the playground was due for replacement under the City’s Annual Playground Replacement Capital Improvement Fund (CIP).

In Fall of 2019, the playground replacement was completed. The new playground is a state of the art, modern playground providing apparatus across 3 separate play areas for both 2-5 year old and 5-12 year old user groups. The new play structures include features such as a boogie board, the Global Motion play globe, 5 different slides of all sizes and shapes, pod climbers and steppers, ladders, bars and rope climbers, as well as interactive play panels.

The most unique feature in the new playground is the fantastic all-abilities We-Go-Round feature. This spinning play structure provides inclusive play with at-grade access, seating, standing areas and wheelchair access for children of all abilities to imagine and play together. According to the playground supplier, this is the first We-Go-Round installed in Northern California.

The Parks and Recreation Department is extremely excited that this project is now open to the public for the enjoyment of children of all ages and abilities. Special thanks to the Parks and Recreation Commission for their guidance on design and playground feature selection, and thanks to the Parks Maintenance Division for their hard work getting this project done!

See you there!
