

PARK RESTROOM CLEANING AND TRASH RECEPTACLE MAINTENANCE SERVICES REQUEST FOR PROPOSAL QUESTIONS & ANSWERS – OCTOBER 20, 2020

Note: All questions/comments listed below are verbatim as received from contractors

- 1. What is the current six month contract price for the Trash Receptacles Maintenance Service?**
The current six-month contract price for Park Restroom Cleaning and Trash Receptacle Maintenance Services is \$89,400 (no breakout was provided from the current vendor in their proposal for the restroom portion vs. the trash portion)
- 2. Brentwood city will provide all liners needed to be replaced in all bins around city parks and streets. The contractor has to provide all equipment and chemicals needed to perform the cleaning?**
Yes, the City will provide all liners for the trash receptacles. The City will provide all janitorial cleaning products for the cleaning of the restrooms.
- 3. Restrooms cleaning in parks can be done anytime between 9 p.m. – 9 a.m. Monday – Friday.**
Yes, as well as any other cleaning as directed by the City. City staff will work/coordinate with the contractor for any work requested outside of the times listed above.
- 4. Trash receptacle maintenance daily refers to 7 days a week, and can be completed at any time during the day along with the weekly locations?**
For trash receptacle maintenance, “Daily” refers to 5 days per week, Monday through Friday. “Weekly” refers to one time per week with the understanding that extra work could be requested for these “Weekly” sites.
- 5. Disposing of trash collected at Yard location is at no charge?**
Trash and recycling happens at the City of Brentwood Corporation Yard in a 20-yard dumpster. There is a smaller dumpster located at the Brentwood Family Aquatic Complex, next to Veterans Park, that can be used as well. There is no fee to the Contractor.
