VIRTUAL TOWN HALL MEETING

Wednesday, September 16th, 7:00 pm Virtual Town Hall for The Innovation Center

The City of Brentwood is hosting a virtual Town Hall meeting for The Innovation Center @ Brentwood Master Plan. The City has contracted with a design team led by ELS Architecture and Urban Design to develop a Master Plan for the area focused on business attraction and job growth.

In this first of two Town Hall meetings, we will be introducing the project goals, challenges and opportunities. This is the community's opportunity to provide ideas for developing an ideal place to work and visit. We welcome your feedback about what you enjoy about living in Brentwood and how the City can shape a vision for this area to continue to improve and enhance our community.

The red outline to the right shows the boundaries of The Innovation Center @ Brentwood.

The virtual Town Hall will be hosted by ELS on ZOOM at:
